

Take Stock 3rd Edition Group Sales Order Form

Save 40% on 5 or more copies of the newly-revised *Take Stock!*

Take Stock: A Roadmap to Profiting from Your First Walk Down Wall Street is the book that set the standard for learning about common-sense fundamental investing. Now available in a newly-updated 3rd Edition, **Take Stock** is perfect for new investors and investment club members who need to get up to speed on the basics of stock analysis.

Comprehensive yet easy to understand, **Take Stock** includes everything from learning financial terminology to price evaluation. You'll learn how to make your own growth and value projections, and how to screen for stocks that are right for your portfolio.

More experienced investors can also benefit from reading **Take Stock**. Learn how to evaluate company quality and the proper way to manage and diversify your portfolio.

For more information, visit <http://www.iclub.com>.

Special: Order 5 or more copies and save 40% off the regular single copy price!

Use this special order form or call 1-877-33-ICLUB today! Special group sales pricing expires on December 31, 2011. Allow 4-6 weeks for delivery.
