

Take Stock 3rd Edition Order Form

Newly Updated in a 3rd Edition!

Take Stock: A Roadmap to Profiting from Your First Walk Down Wall Street is the book that set the standard for learning about common-sense fundamental investing. Now available in a newly-updated 3rd Edition, **Take Stock** is perfect for new investors and investment club members who need to get up to speed on the basics of stock analysis.

Comprehensive yet easy to understand, **Take Stock** includes everything from learning financial terminology to price evaluation. You'll learn how to make your own growth and value projections, and how to screen for stocks that are right for your portfolio.

More experienced investors can also benefit from reading **Take Stock**. Learn how to evaluate company quality and the proper way to manage and diversify your portfolio.

For more information on the book, please visit the web site at <http://www.iclub.com>.

To order your copy of **Take Stock**, use this order form, call 1-877-33-ICLUB, or visit <http://www.iclub.com> today! Allow 3-5 weeks for delivery.
